## Prizes To Be Given For Christmas Decorations

### Awards To Go To Residents and Business Houses

The advent of scores of strangers who have moved into Arlington Heights since last Christmas and the upturn of local business has created an optimistic spirit among local business firms, which has influenced the board of directors of the Arlington Heights Civic and Trade Association to make big plans for a proper observance of the coming holiday season. Definite plans are still in the making, but a general outline was approved at a meeting Wednesday night of that body.

A special list of awards for decorations of various types is now being prepared. Assurances have been received from several sources that mean that the awards will be well worth while. The home owner can begin making plans now for the decorating of his home and lawn. The prizes will be divided into several classes and modest homes will have an equal opportunity as the more pretentious places.

**Our Own North Shore**

For years many people have taken trips through the north shore during the Christmas season to view the private home displays. Arlington Heights decorations this year are expected to be so general that others will come to Arlington.

The village board, Lions Club and other organizations are to be asked to assist in civic displays. One of the plans, the responsibility for which has been assigned to the village, is an electric tree display 60 feet in height. The Public Service Co. will be asked to cooperate.

The business houses are expected to vie with the private home owners in making their places attractive. In place of confining their decorations to sale displays, it is expected that many business windows will be made available to the Scouts, churches and other organizations who will decorate them in the Christmas spirit.

### Christmas Sales Start Dec. 8

The board of directors of the civic and trade association gave its approval Wednesday night to the dates set by a committee of business men for a city-wide Christmas sale, which will start December 8.<sup>9</sup> A special edition of this paper will carry the news of the date and full particulars of the prize contest to surround towns.

Individual business houses will make larger displays than usual of holiday goods for this sale in anticipation of the biggest Christmas business of years.

### Arlington Seniors Select Girl For Citizenship Award

The senior class of the Arlington Heights township high school, at their class meeting last week, selected Miss Betty Jane Will as that girl who in their opinion excelled in the following desirable qualities:

1. Dependability (truthfulness, loyalty, self control, and punctuality).

2. Service (cooperation, courtesy, respect for proper authority, consideration for others).

3. Leadership (personality, ability to lead).

4. Patriotism (unselfish interest and pride in family, community and nation).

Each year the Daughters of the American Revolution in Illinois sponsor this project and award the winning girl from each high school a suitable pin, and also select one by lot from each state who is given a trip to the annual pilgrimage at Washington.

This character building project award has been awarded in the Arlington Heights township high school for the past two years, Miss Nelda Stuttmann having been elected to the society in 1937, and Miss Dorothy Gerken in 1938.

Miss Betty Jane Will is a tuition pupil from the non-high school district of Lake county, and lives in Prairie View.

### Junior Class Sponsors Evening Performance By Pollard Players

The Pollard Players, a popular professional group, are playing before the high school assembly Tuesday, November 29, in a recent comedy success "Barrels of Money."

The Junior Class of this high school is holding this group over for an evening performance of "Krueger's Wife."

The public is cordially invited to attend the evening performance up to the capacity of the auditorium. Reserved seat tickets are only 25 cents each and the proceeds will be used to offset part of the expenses of the annual Junior Prom and Banquet.

Seats can be reserved or purchased on or after November 23, at Sieburg's Drug Store.

### Red Cross Workers May Turn In Envelopes

Mrs. G. Rex Volz, chairman of the Arlington Heights Red Cross board, asks that all workers turn in their envelopes at Krause and Kehl money exchange by the end of the week. Contributions may also be turned in there for the annual roll call of the Red Cross.

## Train Kills Barrington Cattle Buyer

William Koss, 52 years old, 557 North Hough st., Barrington, was killed Saturday morning when his automobile was struck by a Chicago & North Western train in Barrington.

Mr. Koss is well known in western Cook county and is a brother-in-law to Mr. and Mrs. Chas. O. Peterson of Arlington Heights.

Koss, a cattle dealer, is believed to have become confused as he drove onto the tracks directly in the path of the speeding train. His light car was carried down the railroad right-of-way more than 100 feet and he was tossed out.

Barrington police who investigated the accident said that Koss was killed outright in the crash. He received a skull fracture and other injuries. The funeral was held Monday afternoon.

The accident occurred in the heart of the Barrington business district. Koss was traveling north on route 59-63 and the train was traveling northwest.

## Orphanage Celebrates 65th Year

### Lutheran Home, Addison, To Be Sermonized At School

Evangelical Lutheran Orphan Home of Addison, will celebrate its 65th anniversary Sunday at Concordia Teachers' college, River Forest. A service will be held at 3:30 o'clock, the Rev. J. C. Schuelke of Peoria, president of the Central Illinois District of the Evangelical Lutheran Synod of Missouri, Ohio, and other states, will preach the sermon.

Sarastro or Zoroaster wrote:

"Make thy own self pure, O righteous man! Any one in the world can win purity for his own self, namely, when he cleanses his own self with good thoughts, words, and deeds" (from the Zend Avesta). May we assist you in cleansing your character? Come and win purity of soul in the worship of the Eternal God.

## Landmeier's Honored on 25th Anniversary

November 16 was a happy day for Mr. and Mrs. Alfred Landmeier of Elk Grove when they celebrated their twenty-fifth wedding anniversary first at the St. John's school hall near Bensenville at 5:30 o'clock where the Rev. Paul Kasper, gave a short ceremony and Mr. and Mrs. Landmeier renewed their vows that they had given 25 years ago.

The Ladies' Aid society served a delicious chicken supper to some forty guests and were honored to have "Grandma" Schoppe of Benenville with them.

They sang some of the beautiful hymns and then departed to Elk Grove school, where there were some 250 relatives and friends. Music was furnished by Walter Heine's orchestra and the group enjoyed the evening by dancing.

A midnight lunch was served but the crowd did not depart until the wee hours of the morning wishing Mr. and Mrs. Landmeier a lot of blessing and hoping to be able to celebrate their 50th anniversary.

Mr. Landmeier was born on the Landmeier homestead, Landmeier, Elk Grove, in 1892. He was married to Mrs. Landmeier, November 16, 1913, by the Rev. Bohm, at the St. John's church.

The couple have resided on the Landmeier farm since their marriage. They have two children, Wesley, living at home, and Mrs. Edie Oehlerking, who is living on a nearby farm. They have one grandson, Wayne Wesley Oehlerking.

## Maine High School Janitors Favor Cut In Plea For Shorter Hours

A unique request was presented to the Maine Township high school board this week. Desiring a more equitable distribution of working hours to allow them two consecutive holidays each week, janitors petitioned the board to lower their wages in order to hire an extra man.

On motion of Ade Appel, an additional janitor will be hired at \$90 a month to reduce labor hours for each man from 54 to 48 per week. Entirely within the appropriation set up earlier this year, the funds necessary for the additional janitor will not come from the pay of existing help as requested but will be added to the high school payroll. Seven janitors are employed at present.

In order to provide basketball participation to 400 girls who can not be accommodated in the regular gym, the Maine high school board may rent the Des Plaines Emmanuel Lutheran and the Park Ridge Community church gymnasiums each two days a week at an expense of \$88 a month. The plan will be carried out in experimental form for a month's time.

To date more than 1500 children have been cared for by the association since its founding.

## Thanksgiving Church Services

### PRESBYTERIAN CHURCH

Nov. 23, Union Thanksgiving service in the Methodist Episcopal church.

Rev. R. C. Schellhase will preach the sermon.

Nov. 24, the annual sunrise service in charge of the Sunday school will be held in the church auditorium Thanksgiving morning, Thursday, November 24 at 6:30 o'clock.

Following the church service breakfast will be served in the dining room.

### ST. JOHN'S EVANGELICAL CHURCH

Thanksgiving services will be held at 7:45 o'clock, Wednesday evening.

### THE LUTHERAN CHURCH

The annual festival of Thanksgiving will be observed by the Lutheran church of Arlington Heights in two happy services.

Believing that the feasting of the day should not supplant the worship of thanksgiving, opportunity will be given even to the busy cooks to attend divine services. As an accommodation to the women of the household the English Thanksgiving worship will be held Wednesday evening at 8 p.m. The organist will offer appropriate selections and the choir will render a beautiful Thanksgiving number. Pastor Fricke will preach the sermon, presenting the topic, "A Christian's Thanksgiving."

On Thursday morning at 10 o'clock Pastor Noack will conduct a Thanksgiving service in the German language.

### FIRST METHODIST CHURCH

Wednesday, November 23, at 7:30 p.m., Union Thanksgiving services in our sanctuary. The choir will bring special music, and our pastor will bring the Thanksgiving message entitled "Be Thankful." Plan to be present.

Sarastro or Zoroaster wrote: "Make thy own self pure, O righteous man! Any one in the world can win purity for his own self, namely, when he cleanses his own self with good thoughts, words, and deeds" (from the Zend Avesta). May we assist you in cleansing your character? Come and win purity of soul in the worship of the Eternal God.

## Service Poles To Come Out Of Campbell Street

### Christmas Seals In Mails This Week

The Arlington Heights Health committee asks for your cooperation in the sale of Christmas seals which are being placed into the mail this week. Approximately 1000 letters are going out to the local residents. No letter carries less than 200 seals which would mean a possible return of \$2.00 per letter.

The village is ready to give its approval to the idea and the Public Service Company is reported to be friendly to a plan for the removal of the poles if the property owners will make the necessary changes which will permit entry of electric service, either underground or at the rear of lots.

Responsibility for the action of the movement can be attributed to the village board.

A business house will spend a lot of money installing a new front and for alterations in his store in the expectation of attracting new customers. The changes in Campbell Street itself will be a great advertisement for the business acumen of Arlington Heights business men.

It has also been suggested that an effort be made to have the business district streets more brilliantly lighted during December.

Plans have been completed by the Illinois Bell Telephone company for replacing its central office switchboard in Wauconda and Lake Zurich and converting all telephones in both communities to digital operation. G. L. Wilburn, of Woodstock, district manager, announced this week.

### Reduced Assessments Affect School Budgets

This is the first of four articles prepared by the Lake Shore division of the Illinois Educational Association, whose purpose it is to acquaint the tax payers with the financial problems that will soon be facing practically all schools by the gradual reduction of assessed valuations. Real estate, personal property and railroad property assessments in Cook county as a whole, outside the city of Chicago, are less able to support education today than they were either in 1927 or 1930, according to a study of school finances made by the Lake Shore division of the Illinois Education Association.

Assessed valuations per pupil in average daily attendance, the study shows, averaged \$5,437 in 1927, \$5,440 in 1930 and \$4,822 in 1937, in the country towns in general. In the Arlington Heights elementary school district the assessed valuations per pupil amounted to \$5,196 in 1927, \$12,194 in 1930 and \$7,095 in 1937. In the Arlington Heights township high school district the assessed valuations per pupil amounted to \$21,246 in 1927, \$41,819 in 1930 and \$14,029 in 1937.

The figures for 1936 show that the average school child in the United States received an educational program costing \$74.30," the study states. "If Illinois is satisfied with an average educational program it will require \$4,453 in assessed valuations behind each child to raise \$66.80 (at a tax rate of \$1.50 for each \$100 of assessed valuation) from the present tax sources, which, when supplemented by \$7.50 from the state distributive fund, will provide an average educational program for Illinois boys and girls." While Illinois theoretically distributes \$11 per elementary school child, in Cook county only an average of \$7.50 reaches the schools, the association was 102% in 1930 and 59% in 1937.

Expressed in percentages of the 1927 figure, these figures show that the real estate valuation was 386% in 1930 and 186% in 1937, that the personal property valuation was 109% in 1930 and 86% in 1937, and that the railroad property valuation was 102% in 1930 and 59% in 1937.

In 1937, the total assessed valuation of the school district was \$19,120,000.

In 1930, the total assessed valuation was \$21,246,000.

In 1927, the total assessed valuation was \$14,029,000.

The figures for 1936 show that the real estate valuation was 341% in 1930 and 171% in 1937, that the personal property valuation was 114% in 1930, 95% in 1937 and that the railroad property valuation was 101% in 1930 and 53% in 1937.

In 1937, the total assessed valuation of the school district was \$19,120,000.

In 1930, the total assessed valuation was \$21,246,000.

In 1927, the total assessed valuation was \$14,029,000.

The law dealt quickly with Mrs. Mae Young, Tuesday when in the Circuit court of Du Page county, Judge William J. Fulton sentenced her from one to ten years at Dwight Reformatory, after she had pleaded guilty to a charge of embezzling \$5,000 from the Lombard school board while she was secretary of that body.

Her husband, "Colonel" Young, who goes to trial separately under a similar charge, is in jail under \$12,500 bonds. In addition he must stand trial for check forgery, being accused of drawing a check for \$47.91 and forging the name of Walter Haberstich.

The Youths were married last June and the \$5,000 of the school board funds are said to have been used in a get-rich-quick scheme that went haywire.

Warrants for the arrest of the pair were sworn out Aug. 13, by C. G. Sedwick, president of the Lombard school board. After dodging county authorities for two weeks, they surrendered, penniless, to State Attorney Keeney Aug. 25. They were then hailed before the grand jury and promptly indicted and quickly brought to trial.

"Colonel" Young's dream was to start a dude ranch and reap thousands of dollars in profits. Offices were actually set up in the Fox Hotel, Elgin, when the bubble burst.

Since July twenty-five homes have been built. Twenty more are now under construction, all of which have been sold. Four outside contractors are building homes for purchasers of lots in that subdivision. Mr. Smith stated Wednesday that he fully expected to build one hundred new homes upon the tract during 1939.

Nineteen new families have moved to Prospect Heights since October 1. It was not so very long ago that the older residents were also new comers and they extend through the Herald to the latest arrivals, who are Arthur Oakley, J. A. Bowman, Joseph O. Rose, C. R. Lederer, C. F. Ledyard, Russel Foxworth, Tom Underwood, George Buehrer, E. B. Foxworth, E. C. Green, John G. Spillan, Ossie McDonald, Norman Olson, George Arnold, C. G. Hartke, Robt. Faust.

REV. R. C. SCHELLHASE, who will deliver the sermon at the M. E. church of the Union Thanksgiving services of the Methodist Episcopal and the Presbyterian churches of Arlington Heights.

Services are at 7:30 o'clock Wednesday evening.

## Arlington Heights To Lose Martha Jackson

### Accepts Position At Downers Grove; Works Under School Board

Miss Martha Jackson, Arlington Heights community nurse is leaving. She has accepted a position at Downers Grove where she will have a tenure office through a contract with the school board, receive an increase in pay and have six weeks vacation every summer.

Miss Jackson has been so long in Arlington Heights and has given such valuable service that she has been looked upon by many as one of the fixtures of the village, the same as the village hall, or school house. The entire village has taken with her service so much for granted that her resignation was a big shock to a great many people. Miss Jackson's best friends, however, agree that she has given everything possible to a community which has not shown its appreciation in an adequate manner.

She was the "father confessor" for a great many troubled mothers and fathers. Their worries were her worries. She would exert all her efforts to solving the

## The Book Nook

National Book Week at the Public Library proved to be the biggest children's week we have ever experienced.

Through the cooperation of the grade schools, many children visited the Library for the first time and judging from their happy expressions, it was a happy and lasting experience.

We issued 46 children's cards during the week, the greater number being their first cards and circulate 582 Juvenile books.

We appreciate seeing the children celebrate National Book Week in earnest.

## Public Installation For Eastern Star

The Order of Eastern Star are holding a public installation service next Saturday evening, November 26, at the Presbyterian church at 8:15 p.m. Friends are cordially invited to attend.

## Missionary Meeting

The Missionary society of the Methodist church met at the home of Miss Laura McElhose Monday evening for their regular study lesson and business meeting. Mrs. James McElhose assisted the hostess in serving refreshments.

## Woman's Club To Entertain Husbands

Dr. Rudolph Malek, world traveler and lecturer, will be the guest speaker at the annual "men's night" of the Woman's club, which will be held in the Methodist church on December 7, at 8 p.m. Dr. Malek, who will speak on "Ten Thousand Miles Across Russia" comes highly recommended by some of the leading clubs of this area, as a dynamic speaker, thoroughly competent to speak on this subject. He takes a strong stand against communism.

Mr. Malek, harpist, has appeared with the Metropolitan Opera Co. orchestra, and with the Chicago Symphony orchestra, will present a musical program.

The entertainment committee have promised unusual and interesting refreshments, so plan to save the 7th of December and bring your husband to this outstanding meeting.

## Welcome Club Hear Talk On Immunization

At the suggestion of our village nurse, several groups in town have been hearing talks on Immunization, such a talk was given at the monthly meeting of the Welcome club last Thursday afternoon, when Dr. Prieto addressed them. A social time also was enjoyed with refreshments served by a committee.

## Ill. Commerce Committee Hears Fine Program

Sixty members of the Ill. Committee of the Chicago Association of Commerce, and their wives and friends, enjoyed a banquet at the Methodist church Saturday evening, after which they heard a musical program of outstanding excellence.

Mr. Claire Omar Musser, marimba player, and vibra harp artist, presented many fine numbers on these instruments. Mr. George Seberg, concert pianist, played two groups of numbers, and received a splendid ovation. Claire Omar Musser, Jr., ten year old concert pianist, also played several difficult numbers to a most appreciative audience. Vocal solos by chief of the Wimberly Indian tribe were presented in full Indian regalia. Mr. J. Y. Beatty, chairman of this committee, had charge of arrangements. The dinner was served by the Fidelis Circle of the Methodist church.

P.T.A. Congress To Hold Extension Department Conference

The Extension department of the Illinois Congress of Parent-Teacher association will hold an all day conference on December 8, in the North ballroom of the Stevens hotel. The purpose of this conference is to demonstrate ways to promote P.T.A. projects. This conference will be of great value to chairmen of local P.T.A. committees and anyone interested should call Mrs. T. Cooper, president.

Book Lovers Club To Meet November 30

Mrs. B. A. Noyes will be hostess to the Book Lovers Club Friday afternoon, November 30, when Mrs. Lattof and Mrs. Fellingham will review books.

## The Placid Parent

The Placid Parent met Junior's teacher at the Parent-Teacher association meeting and now he knows just what help Junior needs at home to keep him from failing.

## Masons Install Aubrey Neville, Master

Arlington Heights A. F. & A. M. Lodge No. 1162, installed the newly elected officers Saturday night.

Aubrey M. Neville, Worshipful Master.

Francis K. Wilton, Senior Warden.

Donald R. Hitchcock, Junior Warden.

Nels S. Olson, Treasurer. Elmer W. Crane, P. M., secretary. George F. Bozec, Chaplain. James Bumba, Senior Deacon. Edwin W. Baumann, Junior Deacon.

Willis E. Breese, Senior Steward. Walter H. Dick, Junior Steward. Charles W. Peters, Marshal. Raoul H. Peter, Organist. Charles O. Peterson, Tyler.

After the ceremonies the officers, friends and their wives, about seventy-five in all, adjourned to Mr. Neville's home to partake of a sumptuous feast.

All enjoyed games and dancing to the early hours of the morning—a social, friendly event long to be remembered.

## Kathryn Thoman To Review Book At Woman's Guild

The November meeting of the St. James Catholic Guild, will be held next Thursday evening at 8 o'clock, at the St. James school hall.

Due to the inability of the speakers scheduled for the November meeting to attend, Mrs. Kathryn Thomas has volunteered to review an interesting book.

The Guild looks forward to a large attendance.

Guild Communion Sunday, December 4, at 7:30 o'clock mass.

## Relatives Help Two Brothers Celebrate Their Birthdays

A surprise party was held Saturday, November 19, at the home of Mr. and Mrs. Van Stien, 737 N. State rd., in honor of her grandfather, Albert Humburg, 105 N. Evergreen ave., Arlington Heights, and her great uncle, Henry Humburg, Lake Villa, Ill. Albert Humburg was 70 and his brother, Henry was 77.

Children of Albert Humburg who attended, were Mrs. Walter Schroeder and family of 113 Eastman, Arlington Heights; Frank Humburg and family of Niles Center; Walter Humburg and family of Chicago.

Children of Henry Humburg who attended were Bernice Arguette and family, Glenn Humburg and wife, Ruby Becktold and family, all of Chicago. Among other friends who attended were Josephine Brodman, Mr. and Mrs. Ed. LaBandsch of Arlington Heights.

About 15 friends from Chicago also attended. There was dancing and refreshments were served. It was a happy evening for both families whose ties are more closely knit than ever.

## Sunrise Service

Mrs. Harth's Sunday school class has arranged for a sunrise service Thanksgiving morning to be held at the Presbyterian church, starting at 6:30 and to be followed by breakfast.

## Albert Nebel Victim Of Double Surprise

Albert Nebel has always thought that his intuition always told him when anybody was attempting to put anything over on him, but his hunch failed Sunday night, when a large group stormed his house. A small group had surprised him Friday evening, supposedly in honor of his birthday.

The Sunday night invasion was the real event, however. There was so many and it was all so sudden that Albert could not say anything except to grasp his well-wishers by the hand. The use of the basement of Mr. and Mrs. Wm. Linnean, 709 N. Vail st., was

pressed into service, where the crowd spent a gay evening at dancing with an intermission for refreshments.

## Double Birthday, Anniversary Party Celebrated

The home of Mr. and Mrs. Alfred Schoenbeck, Olive st., present-

a gay scene Saturday night when the usual group of young people celebrated two wedding anniversaries and two birthdays. Chenille bedspreads were presented to Mr. and Mrs. Ted Helmick and Mr. and Mrs. Harold Lamb, in honor of their anniversaries. The birthday surprises of Betty Tonne and Jean Clancy, secured a robe for each of them.

This group may wait until anni-

versaries arrive to hold their gatherings, but such events are royally celebrated.

## Bake Sale

The St. John's Ladies' Aid is having a bakery and doughnut sale on Saturday, December 3 at 3 o'clock in the church basement. Order your doughnuts ahead of time by phoning 681-R or 58-M.

The names of the newest Scarsdale residents are: Milton Burkhardt, 511 Mayfair rd.; Robert Gabel, 516 Banbury rd.; Wilson A. Gibson, 612 Burton Place; William C. Taylor, 575 Pine st., all of whom have moved from Rogers Park in Chicago. We extend you all a cordial welcome to Arlington Heights hospitality, and a knowledge of the "City of Good Neighbors."

For obvious reasons and in accordance with custom, the Novem-

ber meeting of the Scarsdale Property Owner's Association has been postponed to the second Thursday in December. Therefore, the annual election of officers will be held on Thursday, December 8, 1938. The meeting place will be announced later.

There are again a few facts about our local events that are worthy of mention. It seems that this column "scoped" the Scarsdale Property Owner's Association by announcing the results of the transportation issue before it was actually brought before that body for a decision. Another peculiar circumstance involves the Captain of the Scarsdale Bowling team of the Thursday League. In his absence of the last two weeks, the team has won five of its six games and has advanced from fifth place to leadership in the Thursday League. If he knows what is best for his team, there is only one thing for him to do.

The building boom is in full swing again in Scarsdale. Many basements have been dug since our last issue and it appears that progress and development will not be delayed because of the lack of new homes. New homes are rising at an amazing rate and it will not be long before we will have another list of new residents to submit to the readers of the Arlington Heights Herald.

Mrs. Loughlin of Bloomingdale, Mich. and Mrs. Flueger were lunch guests of Mrs. Beulah Burkitt, Thursday.

Don't forget to turn in rummage for the Woman's club rummage sale which will be held on December 3.

Mrs. I. Haugen was hostess to a few friends for luncheon and bridge Tuesday.

Mrs. Victor Reed was hostess to her bridge club for dessert and cards Wednesday afternoon.

Mrs. Jack Monroe entertained Mrs. Richard Campbell of Indianapolis, Mrs. Wallace of Evanston, Mrs. Kenneth Oden and Mrs. Simons for luncheon Saturday afternoon. Mrs. Campbell has been a guest of Mrs. Oden for a few days.

Miss Ruth Simons of Chambersburg, Penn., also has been a guest at the Oden home the last week. Mr. A. O. Williams and Mr. George Williams and Mr. and Mrs. H. Dlomberg and son of Rockford, were Sunday guests at the Paul Williams residence.

Mr. and Mrs. V. I. Pecchia and son will be guests at the Tho. Pieroni home in Chicago on Thanksgiving day where they will join the Pecchia family group.

Mr. and Mrs. J. Clyde Jones were hosts to the Elmer Karstens, the Pecchias, and Mr. and Mrs. Leonard Detwiler of Des Plaines for pre-thanksgiving dinner Saturday night. The evening was enjoyed at bridge and Mr. Pecchia and Mrs. Detwiler received awards at bridge.

Mrs. Edward Neimeier was hostess to several members of the Welcome club to an afternoon of bridge, last Wednesday.

Mrs. Lawbaugh of Manning, Ia., is visiting at the home of her son and family, the Roy Lawbaughs.

Virginia McElhose and Ruth Chidley, who have been visiting the past few weeks, Mr. and Mrs. Tim Kellogg of Interlaken, New York, returned home Saturday evening.

Mrs. Otto Farnwald of North State Road, passed away Monday morning.

Miss Florence McElhose of Chicago spent Sunday in the family home.

The Gleaner's Circle of the Methodist church, met at the home of Mrs. Schellhouse last Wednesday evening. Mrs. Atkinson gave a book review.

Mrs. Robert Blackburn was hostess to her bridge club Thursday evening.

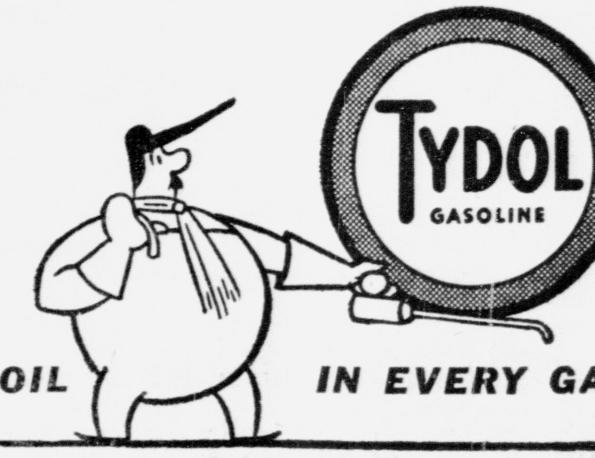

The joys of life are measured by the unmistakable exuberance of perfect health — not eighty-five or ninety per cent health.

The one man who can aid you in the restoration of that ten or fifteen per cent is the efficient doctor of medicine; and you can help him in bringing about the desired condition by your careful choice of a druggist to fill his prescriptions — if medicine is necessary.

Easy on the eye — easy to buy — on General Motors terms!

ONE of these days you're going to get tired of watching these agile Buicks flash past you!

One of these days you're going to get fed up on hearing friends rave about Buick comfort, and Buick smoothness, and the glorious view through Buick's bigger and broader windshield and windows.

One of these days you're going to wish you too had a car styled like a bit of tomorrow here today.

And one day you'll ask yourself why you didn't see what

a buy Buick is at its new, deep-cut, 1939 prices. Sure as shootin' all that's going to happen — unless you do certain things now.

First — come try out the brilliant surging power of this Buick's Dynaflash great eight engine. Next — find a rough stretch — and discover for yourself how steady this smooth traveler is in its going, how directable in its easy handling.

Finally — take paper and pencil, and when noting Buick's surprising low delivered price,

note also the extras it includes, the big reductions over last year, and the actual savings you can make by putting your dollars in Buick!

For the value's up mighty as you can see. And yet this great straight-eight actually costs less than last year — less than you'd expect — less even than some sixes.

How much less? We're waiting to watch your eyes pop when we tell you!

EYE OPENER! With all its 1939 power, this Buick sedan is built to last. It's built to last.

Rural Fair Season Closes In Chicago

Thousands of the finest farm animals of this country and Canada are now in their final week of grooming preparatory to competing for continental supremacy at the 33rd International Livestock Exposition which will open in Chicago on the first Saturday after Thanksgiving.

The week of November 26 to December 3 will close America's agricultural show season which is annually brought to a climax at this largest exposition of purebred live stock, prime market animals, and farm crops.

Huge Value Estimated

Manager B. H. Heide estimates that the value of the livestock that will be exhibited here this year will exceed \$5,000,000. They will represent 29 different breeds, including six breeds of beef cattle, eleven of sheep, seven of swine, and five breeds of draft horses. In addition, there will be several hundred head of the nation's best riding and driving horses and ponies seen in daily contest in the Exposition's Horse Shows.

Farm youths from 15 states have made entries for the junior stock show which will be a feature of the opening day. Their exhibits of beefs, lambs, and pigs are again expected to make strong bids for the highest awards of the exposition when they meet the nominations of adult showmen in the open classes.

The junior exhibitors number 274 boys and girls. They will exhibit 398 animals of their own raising, most of which have been champion or first prize winners at earlier shows this year.

## Rabbit Plays Villain Role In Fever Plot

Should you draw a bead on a rabbit and shoot him anyway? Then walk away. The chances are that the bunny is either feverish or is fixing to turn on you. If he is sick you don't want to eat him and if he was going to snap at you he's too tough to eat anyway.

Rabbits are occasionally capable of causing the disease called rabbit fever or tularemia which causes severe aches and pains throughout the body and is accompanied by fever, says the Illinois Agricultural Association department of safety.

Experts advise hunters to:

1. Wear gloves when cleaning rabbits.
2. Avoid this operation if you have any cuts or sores on your hands.
3. Should an ulcer or sore appear on the body along with symptoms of a cold about three days after exposure to this disease . . . see a doctor immediately.
4. Cook rabbit meat thoroughly . . . this destroys the germ.
5. Wash carefully after handling any rabbit.

the thousands of choice animals that will be in competition at the exposition will be done by 46 men and one woman from 17 states and the District of Columbia, Canada and England.

William J. Cumber, a well known British authority of Theale, Berkshire, will tie the ribbons in the fat classes and will conclude his work with the selection of the grand champion steer. He has judged at several leading cattle shows in

England.

## State Farmers Use Million and One-half Tons of Limestone

Soil-wise Illinois farmers, practicing modern soil-building methods will use approximately a million and a half tons of limestone in 1938, says John R. Spencer, director of soil improvement with the Illinois Agricultural Association. This amount exceeds the record set last year when 1,250,000 tons were used in the state.

Representing the million and a half tons graphically, Spencer points out that if it were loaded in 50-ton cars, the train would reach from Chicago to Centralia or 255 miles.

"Limestone spreading will increase during the next few months in spite of freezing weather. In northern Illinois, especially, winter liming on frozen ground is becoming increasingly popular. Farmers find it convenient to spread limestone on level cornstals or soybean ground that will be seeded to a legume in the spring with a small grain nurse crop. Too, lime spread on wheat, clover fields or pasture leaves very little.

Quarry men in some areas are reducing prices on agriculture limestone taken during the winter when there is less demand for it. Farmers often contend with a limestone shortage during the heavy liming months of August and September, a difficulty that is avoided through liming frozen ground.

## Price Outlook For 1939 To Be Subject Of Farm Meeting

Twenty farmers from Cook county will be eligible to attend the district price out-look meeting at Yorkville, Monday, December 5.

This meeting is held every year at the State College of Agriculture at which time such matters as business conditions, surplus of materials, and labor conditions are set out by these economist to arrive at a possible outlook for farming for the next year.

The interesting part about these meetings is that predictions that they make, have been around 80% and 90% accurate. It will be a rare privilege for a farmer of Cook county who is interested in attending and he should notify one of the offices of his intention, said the Farm Bureau. The meeting will be held in the Farm Bureau office at Yorkville.

**Nutria Supplies Valuable Fur**

As the nutria is brother to the water-loving beaver, he delights to swim in his native South American streams. He is an amusing little fellow, inquisitive, lively and quick, but his greatest contribution to the world is his downy, lustrous pelt. Nutria is a beautifully toned, luxuriant fur.

## Farmers Take Steps To Use Big Soy Crop

Illinois farmers not only raised a bumper crop of soybeans this year, but they also doubled the volume of soyoil paint used on their buildings this October compared with the same month a year ago, according to the Illinois Agricultural Association.

"If farmers want the corn loan program continued and a greater measure of stability placed under the corn belt's principal crop, there is only one way to do it. That is to cooperate wholeheartedly in future acreage adjustment if and when such adjustment seems necessary to prevent accumulation of unneeded surpluses."

"I suggest to farmers who have soybeans that they take a sample into this concern and ask an exchange if you can. Soybean oil meal has practically the same feeding value as cotton seed meal. It may be used in quantities of one or two pounds per head per day to balance up the grain ration.

"The loan price as provided by law is approximately 20 cents more than the farm price of marketable corn in Illinois today. Knowledge that such a loan would soon be announced, in my opinion, has been largely responsible for recent gains in the market price for corn.

**SHREDDING** stover always pays extra profits because it provides roughage for the feed ration and good bedding material. The McCormick-Deering all-steel husker and shredder furnishes an economical method of husking and shredding the corn crop. In one operation it husks the corn and delivers it to the wagon, and shreds the fodder and blows it into the barn or other storage space. The cost of doing this work is about the same as husking by hand. The shredded stover is clear profit.

Come in and find out what a McCormick-Deering Husker and Shredder can do for you.
